Have you, or your dependent, received a complex diagnosis and feel unsure about your options?

A medical second opinion may help.

View three new testimonials that highlight personal experiences of receiving a second opinion through Grand Rounds® and the impact on their lives – including increased confidence and peace of mind about their treatment decision:

» Hip Dysplasia    » Back Pain    » Juvenile Rheumatoid Arthritis

Included as a member service at no additional charge, Grand Rounds makes the process of receiving a medical second opinion simpler – even through your mobile phone – while providing you access to leading physicians specializing in your area of need.
